

Uniting

Delivering the NDIS in your community

You're invited to a family fun day in the Illawarra

Come and celebrate the arrival of the NDIS

On 1 July, the National Disability Insurance Scheme (NDIS) was introduced in the Illawarra by Uniting and the National Disability Insurance Agency. The NDIS is the new way people with disability receive help and it means a new era of lifestyle and service choices for you and your family.

Join us on Saturday 26 August 2017 from 11am to 3pm for:

- The official celebration of the NDIS in the Illawarra
- Non-stop entertainment, food, music and fun
- An interactive expo of local businesses, organisations and service providers
- Local personalities and celebrities
- Roving magicians, face painters, fairies and entertainers.

There will be an event program available on the day so you don't miss a thing. Note the date in your diary, and feel free to contact us.
