

Understanding Hearing Loss

Do you have a child with hearing loss in your class/centre for the first time?

Join world-leading early-intervention providers, The Shepherd Centre, for a 2 hour session offering practical tips and tricks to support children with hearing loss.

This highly informative session will be available at:

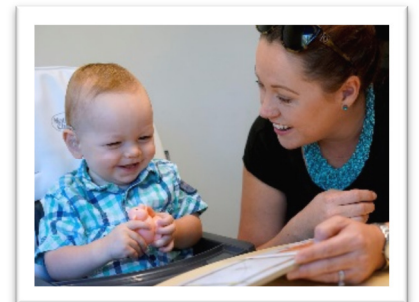

- The Shepherd Centre Head Office - 146 Burren Street, Newtown (5 min walk from MacDonalddtown station) on Monday 26th February.
- TQI Headquarters (ACT) - 170 Haydon Drive, Bruce on Thursday 22nd February.

Time: 9:45 morning tea for 10:00 -12:00 at each venue

Cost: \$50pp

This interactive session will cover:

Understanding Hearing Loss: Tips and tricks for supporting a child with hearing loss in your class

- 2 hour introduction to hearing loss and its effect for preschool/classroom teachers with students with hearing loss integrated into their classroom.
- What are the implications of having a hearing loss?
- Practical audiology tips to assist in the classroom.
- Top 10 practical classroom teaching tips.
- What is an FM?
- How can classroom teachers facilitate optimal progress for their students with hearing loss? Identifying and addressing challenges.

This course can also be run on request at local venues with teams from local areas, typically at reduced costs for teams up to 20.
