

[UPDATE: MONDAY 16TH MARCH, 2020 – SHOUT OUT]

Dear families

Please note that due to recent announcements by the government in relation to coronavirus, we have decided to CANCEL in-person group sessions from tomorrow (Tuesday). We do, however, already have systems in place to provide group sessions online which we have been doing for a number of years. We are excited to be able to provide these to you for all of our groups from next week onwards.

We are committed to ensuring you can continue with your programs due to their importance and online groups are a great way to keep connected and supported. We also know how important routine is where we can amongst such disruption to our daily lives at the moment so we do hope that you continue your participation in these groups.

If you currently regularly attend a group, our respective group leads will be in touch with you later this week with all the information you need about your online group programs and how to access them. We have many families who use our online programs already and outcomes indicate they can be just as effective as in person sessions.

If you have any questions, please do not hesitate to contact us on 1800 020 030 or familycare@shepherdcentre.org.au.
