<b>Months 10-12 of your plan</b>	<ul style="list-style-type: none"> <li>• Audiologist</li> <li>• Listening and Spoken Language Therapist</li> <li>• Child and Family Counsellor</li> <li>• Speech and Language progress check and report</li> <li>• NDIS Pre-planning support and report</li> </ul>		

In addition to the hours we see you, many more hours are spent by your team planning goals, setting targets and tracking your child's progress so they are supported throughout their development.

**Your appointments will be booked by our team and confirmed with you. If however you have concerns at any time, or feel like you haven't heard from us, please don't hesitate to contact your centre on \_\_\_\_\_, or email [cpa@shepherdcentre.org.au](mailto:cpa@shepherdcentre.org.au)**

# YOUR SOUND DIRECTION PLUS TEAM

Your audiologist will work with a specialised team dedicated to providing the support your child needs

## **Your Individual Family Service Plan (IFSP)**

A meeting held yearly with your team. In this, you can plan your child's speech language and listening goals for the year ahead, and discuss how they will be achieved.

## **Sound Direction Intervention and Capacity Building sessions**

These are specialised coaching sessions with members of your team to monitor and develop your child's access to sound, listening development and speech and language progress.

## **Natural Settings visits**

An appointment with your child's early education program (day care/pre-school) to support your child's listening needs and strategies to help their learning.

## **Speech and Language progress check**

Your child's speech and language development is routinely assessed every 6 months. Their progress is compared to typical children of the same age. If there are any concerns, we will arrange for a comprehensive assessment and additional therapy sessions as required.

## **AFTER HOURS SERVICE**

**For any audiological concerns you have after business hours or on weekends contact: 0414 692 914**

Leave a message for a member of our audiology team who will contact you back.
