Giving deaf children a voice

Help us understand more about language development in pre-schoolers with hearing loss!

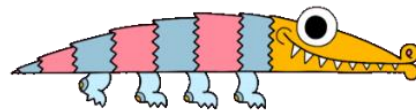

Participation involves playing two fun listening games.

Come visit our Child Language Lab at the Australian Hearing Hub on the Macquarie University Campus.

Duration: 40 minutes

Reimbursement: \$30 Coles Voucher

**For children
with normal
hearing and
hearing loss!**

- 3, 4 and 5 year olds
- All hearing devices
- Any type of hearing loss
- Without any additional needs
- Children who speak Australian English as their primary language
